Ordering Information:

- Please confirm all fields are completed, including rod length, finial selection, ring quantity, brackets, wands (if needed), and finish.
- Order confirmations are sent within 48 hours of placement.
- Please review your confirmation carefully and let us know of any errors within 48 hours. Changes requested after 48 hours, or once production has begun, may be subject to additional charges.
- Lead times for iron hardware are typically around 3 weeks.
- Rush orders may be available depending on timing. Pricing varies based on how quickly you need the order - please contact sales@shopbbhardware.com for details.
- Rods over 180" will require a splice.
- Rods over 90" may be subject to additional freight charges.
- A deposit is required for orders over $1,500.
